CEU's and College Credit! Certificates of Participation will be awarded and may be submitted to your LPDC as verification.

Participants may earn one graduate workshop credit through Ashland University. The cost for one graduate credit is \$273. Graduate credit will be granted upon satisfactory completion of all workshop requirements. Attendance is required at both sessions. A representative from Ashland University will be at the workshop, January 27, 2010 to register participants for credit. The \$273 payment for credit is due at that time. Students new to Ashland University must bring a photocopy of their teaching certificate, transcript or diploma at the time of registration. Upon receipt of registration, you will receive a confirmation. Ashland Credit participants should plan on meeting at the end of each workshop from 3:00 to 3:30 pm.

Questions related to CEU's/college credit, contact Russell Maruna at (440) 324-5777, ext. 1131.

Who should attend:

Administrators, classroom teachers, P.E. teachers, food service coordinators, counselors, intervention specialists, school nurses, school board members, community members, curriculum specialists, parents, administrative assistants and support staff.
