

**Four out of five people wash their hands.\* Let's talk to the fifth guy.**

**"For The Health of Us All"**

**HEALTH** [www.TalkToTheFifthGuy.com](http://www.TalkToTheFifthGuy.com)  
\* There is a national observational survey of 4,000 people of public awareness in six locations across the United States, performed by the American Society for Microbiology. 85% of the sample washed hands after using the bathroom.
